Rental Type (select one) Construction Event

** All construction orders and orders longer than 10 days are placed on an open recurring billing cycle. These order types are NOT pre scheduled for pickup with order submissions. **The customer is responsible for emailing pickup@nationwidewasteservice.com or calling (855) 301-2530 once their job is complete to request pickup and stop billing. Requests for pickup must be received between 9am-5pm EST a minimum of two business days before the end of the current billing cycle to avoid being charged again.**

*** Order is non refundable once submitted. Customer is responsible for the unit if lost, stolen or damaged and the customer may experience additional fees that will apply which will be charged to the card on file.
